## Connecting Families. Fast.

Families thrive when they are healthy, happy and supported. When families face barriers to meeting their basic needs – financial, health or social – they need to find help fast.

Across Indiana, families are seeking services through Brighter Future Indiana's Family Resource Navigator, a social network platform powered by findhelp that connects them directly to organizations offering the services they need.

Join the Family Resource Navigator to ensure families and individuals you serve find the additional support they need. **It is free for you to join.**

### BENEFITS INCLUDE:

**Connection** to an online network of free and reduced-price social services, such as child care, medical care, food, job training, financial assistance and more.

**Community** with like-minded organizations across the state offering services to individuals who need help.

Long-term **partnerships** with regional and statewide organizations, such as the Child Care Resource & Referral Network (CCRR) to link to services for families in your area.

# Getting Started

## Step One: Claim Your Program [BrighterFuturesIN.findhelp.com](https://BrighterFuturesIN.findhelp.com)

Claiming your program allows other organizations to seamlessly refer families to your services. You can update your program's details and contact information to ensure families can access your most up-to-date services and that those in need can easily connect with you. Start the process at [BrighterFuturesIN.findhelp.com](https://BrighterFuturesIN.findhelp.com) and click Claim Programs located at the bottom right corner of the page.

## Step Two: Share with us!

Once you've claimed your program, let us know! Let's discuss how you plan to use the platform and how to best serve families together.
